Dear Jim:

The intent of this letter is to provide information about our relationship with Dura Pier Facilities Services LTD. Dura Pier completed two major projects for us this past year and we are very happy with the workmanship and professionalism.

In May, 2009, Boling ISD hired Dura Pier Facilities Services LTD to provide labor, material and equipment to perform exterior wall repairs and stabilize two exterior corners of grade beam of our Boling High School Band Hall. In August, 2009, we also hired them to completely remove and replace flooring of a Boling High School classroom. Both projects were successfully completed and no complaints.

We have enjoyed doing business with Dura Pier Facilities Services LTD and will definitely consider using their company in the future. Please let me know if you have any questions.

Sincerely:
